Academic Honesty Policy

Agreement:

By registering for an MSI account, you agree to the following

Academic Dishonesty: Cheating and Plagiarism

MSI will not tolerate academic cheating or plagiarism in any form. Cheating is defined as obtaining or attempting to obtain or aiding another to obtain copies of any MSI certification exam, helping others with their exam, falsifying exam results, modifying transcripts or certificates, taking of an exam for someone else, providing false information in any form.

Only the account originator (the name of the person on the account) may access an account once it has been created. MSI reserves the right to audit and inspect all accounts using standard and proprietary investigative techniques to determine academic integrity of an account. MSI conducts random audits of accounts on a regular basis.

Failure to comply with MSI academic dishonesty may lead to the following: Revoking of training, revoking of certification, requirement to re-take certification exam, temporary suspension of account, permanent suspension of account, legal action.
