## Certified Corporate Ethics Manager (CCEM)™

Corporate Ethics Managers are an integral part of today's corporate structure. They manage the consistency of compliance and ethics by responding to ethics questions and issues, monitoring regulations, drafting and updating policies.

Professional development courses are designed to prove your proficiency in a subject matter. Certification courses include all learning material required to prepare for the exam, and access to the MSI certification test.

Some of the information this program will cover:

- What is business ethics
- Benefits of managing ethics
- Social responsibilities
- Personal vs organizational
- Ensuring ethical behavior
- Plus much more..

***"These certifications have been a big boost to my resumé. MSI has really helped my career!"***
