## PC HARDWARE PROFESSIONAL

MSI's entry-level IT certification for individuals looking to enter the IT profession. The PCHP™ certification will prove you have the ability to understand, diagnose, and construct basic PC systems. The training material for this certification is included at no extra charge.

Professional development courses are designed to prove your proficiency in a subject matter. Certification courses include all learning material required to pass the exam, and access to the certification test.

Some of the information this program will cover:

- Basic PC Info
- Terms
- Intro to Hardware
- Motherboards
- Memory Slots
- RAM
- Plus much more..

***"These certifications have been a big boost to my resumé. MSI has really helped my career!"***
