5S CONCEPT CERTIFIED (5SC)

5S was originally developed in Japan as part of Just-in-Time manufacturing techniques. Now, 5S is being applied to a wide variety of industries. It has expanded from manufacturing to healthcare, education, government, and more.

Professional development courses are designed to prove your proficiency in a subject matter. Certification courses include all learning material required to pass the exam, and access to the certification test.

Learn to improve quality and reduce defects within your organization.
