## CORPORATE CRISIS MANAGEMENT CERTIFICATION

For businesses today, crisis management is just as important as finance management or personnel management. Having a clear and effective program for a crisis event is critical to the profitability and survival of your company. Being able to identify risk, assess the situation, and respond appropriately is important.

Professional development courses are designed to prove your proficiency in a subject matter. Certification courses include all learning material required to pass the exam, and access to the certification test.

Gain an understanding of these important topics:

- Conflict Dangers
- Triggers
- Crisis Strategies
- Business Continuity
- Business Communication
- Codes & Standards
- Plus much more..
