CERTIFIED ETHICS ASSOCIATE (CEA)

This Ethics certification is designed to give you a solid understanding of the ethical standards required in today's business environment. Companies with strong ethics programs have found that these efforts can reduce potential costly fines, decrease vulnerability and improve reputation.

Professional development courses are designed to prove your proficiency in a subject matter. Certification courses include all learning material required to pass the exam, and access to the certification test.

Strong ethical practices within the corporate world are critical. You'll learn:

- Code of Ethics
- Business ethics
- Moral theories
- Purpose of business
- Political tactics
- Employer Expectations
- Plus much more..

"These certifications have been a big boost to my resumé. MSI has really helped my career!"
