CORPORATE TRAINER CERTIFIED (CTC)

Delivering a corporate training program requires a skilled trainer who communicates well, knows how learners "learn", and has a high level of energy and enthusiasm about the content being taught and the company they work for. The Corporate Trainer Certified (CTC) certification program will prepare you to take on the role of a trainer for a large organization.

Professional development courses are designed to prove your proficiency in a subject matter. All learning material required to pass the exam and access to the exam is included.

Just some of the subjects included in the Corporate Trainer study material:

- How Learning Works
- Accelerated Learning
- Instructional Methods
- Increase Retention
- Plan Your Training
- Cognitive Training Model
- Plus much more..

"These certifications have been a big boost to my resumé. MSI has really helped my career!"
