SIX SIGMA BLACK BELT - EDUCATION

The Six Sigma Lean Black Belt Certification with Education concentration is designed for those who work in the education sector. Public and private schools, administrators for school districts and colleges. You'll learn how the Lean model can be applied to the education system to identify value and eliminate waste. You'll work to identify waste and understand how waste in the education sector is different from other industries.

Learn to improve quality and reduce defects within your organization.
